IPL 2020: Festive ads could help Star net over ₹2k cr

THE TITLE SPONSOR is Dreamll, Amazon, PhonePe and Byju's are the co-presenting sponsors, while Modelez, ITC Foods, Polycab, Rummy Circle.com, Kamla Pasand McDowell's and Coca-Cola are among the associate sponsors.

The profile of advertisers is expected to be skewed towards digital and FMCG brands this year. After Dream 11 becoming the title sponsor, Star signed on CRED and Unacademy as official sponsors. As per industry sources, these partnerships have been signed at half the 2019 rate.

The IPL is a premium property that advertisers look forward to leveraging every year.

However, this year the pandemichasturned even the most generous advertisers into conservative spenders. The broadcaster, which is expecting record number of viewers for this edition of the IPL, is said to be steadfastly holding its pricing of about ₹12 lakh for10 seconds, which is about 10% higher than lastyear, say industry executives. Dream11's bid of ₹222 crore for

the title sponsorship, which is half of what previous title sponsor Vivo was paying, is influencingothertie-ups."Thehalvingof the title sponsorship value has added to the lukewarm mood among advertisers and is being quoted in negotiations. The Dreamll deal has become somewhat of a benchmark for other closures. And a barometer directionally," Goyal said. Smartphone brands and

automobile manufactures are conspicuous in their absence from the list of broadcast sponsors for now. "Large spenders are deciding to remain on the sidelines in 2020 on account of several factors, not limited to the pandemic alone. Star Sports may hitits 2019 revenue figure and with some probability rake in a little more than last year after selling all of its inventory as viewership is expected to be far higherthan earlier,"Santosh N, managing partner, D and P Advisory LLP and external adviser, Duff & Phelps, said.

Advertisers are working out various strategies to make the most effective use of their media spendsthis IPL. The quantum of media buy from every advertiser may decrease in terms of frequency and duration of the commercials as the tournament progresses. However, this could change if consumer interest picks up as matches progress.

ICICI-Videocon case: ED arrests husband of Chanda Kochhar

ITSLAPPEDMONEYlaundering charges against the Kochhars and their business entities for "illegal sanctioning of loans amounting to Rs 1,875 crore to the Videocon Group of compaFrom the Front Page

The ED had earlier said an amount of ₹64 crore, out of the loan amount of Rs 300 crore sanctioned by a committee headed by Chanda Kochhar to Videocon International Electronics Limited, was transferred to Nupower Renewables (NRPL) by Videocon Industries Limited on September 8, 2009, just aday after disbursement of the loan by ICICI Bank, NRPL was earlier known as NuPower Renewables Limited (NRL) and is a company of Deepak Kochhar.

The agency had alleged that the"net revenue of₹10.65 crore was generated by NRL from these tainted funds".

"Therefore, proceeds of crime amounting to ₹74.65 crore were transferred to or to say generated in NRPL," the ED had claimed.

The ED, early this year, also attached assets -- including a Mumbai flat where the couple lived, land, and plant and machinery of a wind farm project based in Tamil Nadu and Maharashtra -- valued at ₹78 crore"in possession of "Chanda Kochhar, Deepak Kochhar and the companies owned and controlled by him.

It had said Chanda Kochhar and her family "acquired" the Mumbai apartment, owned by one of the Videocon Group companies, by way of "acquiring that company through her family trust at a nominal price and by creating book entries".

The couple has been questioned by the central probe agency multiple times in the past at its offices in Mumbai and Delhi.

The CBI, in its FIR, had named Chanda Kochhar, Deepak Kochhar, Dhoot and his companies -- Videocon International Electronics Ltd (VIEL) and Videocon Industries Limited (VIL).

It also named Supreme Energy, a company founded by Dhoot, and Nupower Renewables, a company controlled by Deepak Kochhar, in its FIR. The CBI slapped sections of

the Indian Penal Code related to criminal conspiracy, cheating and provisions of the Prevention of Corruption Act on all the The CBI alleged that Dhoot

had invested in Deepak Kochhar's company Nupower through his firm Supreme Energy, a quid pro quo to loans cleared by ICICI Bank after Chanda Kochhar took over as the CEO of the bank on May 1,

The ownership of Nupower and Supreme Energy changed handsthrough a complex web of shared transactions between Deepak Kochharand Dhoot, the CBI had alleged.

During its preliminary enquiry, the CBI found that six loans worth Rs 1,875

crore were sanctioned to the Videocon Group and companies associated with it between June, 2009 and October, 2011 in alleged violation of laid-down policies of ICICI Bank.

"Existing outstanding in the accounts of these private group companies adjusted in Rupee Term Loan of ₹1,730

crore sanctioned by ICICI Bank under refinance of domestic debt under consortium arrangement on April 26, 2012," a CBI spokes person had said.

Kamath report: RBI paves way for loan recasts

HOWEVER, WHEREVER THERE is equity infusion, the ratio may be suitably phasedin over the period. All other key ratios shall have to be maintained as per the resolution plan by March 31, 2022 and on an ongoing basis thereafter, RBI said.

The committee sets 180 days to implement the planand makes an intercreditoragreement (ICA) mandatory. The tenure of a loan may be extended by a maximum of two years, with or without a moratorium, the panel has said. The resolution process shall be treated as invoked once lenders representing 75% by value and 60% by number agree to invoke the same.

The central bank said the resolution plans "shall take into account the pre-Covid-19 operating and financial performance of the borrower and impact of Covid-19 on its operating and financial performance' to assess cash flows for FY21/FY22 and subsequent years, suggesting some degree of flexibility.

"In these financial projecthe threshold TOL/adjusted TNW and debt/Ebitda ratios should be met by FY23. The other three threshold ratios should be met for each year of the projections starting from FY22," the report said, adding that the base case financial projections need to be prepared as part of the plan. The sector-specific parame-

ters may be considered as guidance for preparation of resolution plan. Also, lenders may adopt agraded approach classifying the impact on borrowers as mild, moderate and severe. "Considering the large volume and the fact that only standard assetsare eligible under the proposed scheme, a segmented approach of bucketing these accounts under mild, moderate and severe stress, may ensure quick turnaround," the report said. Severe stress cases would require comprehensive restructuring. Exceptions to thresholds were made for five sectors -auto manufacturing, aviation, real estate, roads and trading -wholesale.
